

THE GATHERING

TASK 2

Instructions:

YOU DON'T NEED TO STAY IN THE OCTAGON- FIND A CREATIVE SPACE

CREATIVE YOUR PROTEST MARCH PLACARD

One day, maybe not so far off, the way forward maybe mass protest.

There are many famous slogans that symbolise protest in history

“ We refuse to be 2nd class workers “ (suffragettes)

“Love is love” – (marriage equality)

“We all bleed the same colour” – (civil rights movement)

What would you say on your protest sign to make decision makers hear that arts really matters especially in a crisis?

Collect your placards from reception, go off and find your creative space and write your signs.

Because one day, you just might need to march for arts.
